

Anti-Plagiarism Checklist

Research

1. When working on my paper, did I keep a list of all the books, articles, websites, interviews & other sources I used? Yes No
2. In my notes, did I keep track of which information came from which sources? Yes No

Drafting

3. When I used sentences just as they were in the source, did I always put quotation marks around them? Yes No
4. When I summarized ideas in my own words, did I remember to give credit to the original source? Yes No
5. Did I ask my teacher or librarian if I was unsure of how to list a source or whether to list it? Yes No
6. Did I use parenthetical citations (in-text citations) to give credit when I paraphrased or quoted a source? Yes No

Final Paper

7. Did I include a "Works Cited" page containing all the sources that I used? Yes No
8. Is my "Works Cited" page in proper MLA format? (alphabetical order, hanging indent, double spaced) Yes No
